2018 Day Tours

Saturday, March 17 – Lancaster – “Jesus”

\$215 per person

A timeless story of relentless love! While Jesus’ story may be familiar, his actions are unexpected. He befriends outcasts and heals the hurting. He challenges social norms and confronts hypocrisy. He sets sail with fishermen and reasons with religious scholars. And the lives he touches will never be the same. From the streets of Jerusalem to the raging Sea of Galilee, there’s no place—and no person—that his love

can’t reach. Your package also includes Magic Lantern Theatre – Magic Lantern Shows were the most popular form of entertainment in America in the late 1800s, before there were movies. Using a gorgeous wood and brass antique lantern, the performers or “Showmen” would take their audiences on a visual journey filled with drama, mystery and comedy. And now you can experience this rarely-seen entertainment at the only permanent magic lantern theater in the world. With music, Victorian “special effects,” and images projected through an original 1890 “triunial” lantern, Professor Phineas T. Firefly brings memorable stories to life. Lunch will be an Amish Family-Style Wedding Farm Feast at Plain & Fancy before the show.
